OPPORTUNITY TO SERVE!

We are happy to provide an attended nursery in both of our services for our members and guests with young children. It's been two years since we have asked for people to serve in the nursery. Since then, we have been blessed with a growing congregation, and our need for more nursery workers has increased. Our biggest need is 2nd service as it takes 4 adults each Sunday just for that one service. We currently have 32 adults signed up for 2nd service nursery. It would be ideal to have 100 adults so that everyone would only need to serve 2 times each year.

This is a great opportunity for you to serve with your spouse or your family. Even if you attend 1st service, would you consider staying to serve in the nursery during 2nd service?

To help us continue to provide nursery service to our young families, please scan this QR code or email
